

Effective Linkages Audio Conference Series

Effective Linkages: Adolescent Services

Tuesday, September 28, 2004, 9:00 - 10:30am PDT

Registration Deadline: September 17, 2004

This 90-minute audio conference will address the essential information and skills necessary to establish effective linkages and referral networks with teen pregnancy prevention (TPP) program providers. Such linkages can increase referrals for Family PACT services and ensure that teens receive a wide array of educational and clinical services necessary to prevent teen pregnancies. Time will be available for questions.

Objectives: As a result of this audio conference, participants will be able to:

- Identify TPP providers in their area
- Establish effective referral linkages with TPP providers
- Be a good partner with local TPP providers
- Design teen friendly clinical services

Effective Linkages: Primary Care Referrals

Tuesday, October 26, 2004, 9:00 - 10:30am PDT

Registration Deadline: October 15, 2004

This 90-minute audio conference will address the essential information and skills necessary to establish effective linkages and referral networks with primary care providers. Time will be available for questions.

Objectives: As a result of this audio conference, participants will be able to:

- Identify primary care providers in their area
- Establish effective referral linkages with primary care providers
- Be a good partner with local primary care providers

Audience: Family PACT provider of record, clinicians, nurses, medical assistants, office managers, health educators and front/back office staff.

Registration: Mail, fax or submit on-line one registration form for each Caller (each telephone line) on or before the respective deadline. The name and job title of each additional listener should be included on the form.

Confirmation/Call In Number: Confirmations will be mailed to the Caller prior to the teleconference and will include detailed instructions for accessing the call. The Caller will also receive one set of the following materials: handouts, evaluation forms, and participant sign-in sheet. The Caller will need to duplicate the necessary forms for all participants sharing the same phone line.

Fees: There is no fee for this audio conference, however preregistration is required.
